- Incontestability:** Failure to disclose every fact or the misrepresentation of any fact in the application for insurance, medical examination, and any written statement or answers given as evidence of insurability within the Person Insured's or Owner's knowledge that is material to the insurance being applied for, will cause this Policy, including any riders, to be voidable by Equitable Life. Where the Policy has been in effect for two (2) years from the Effective Date, or in the case of Reinstatement, two (2) years from the last Reinstatement date, with the exception of Misstatement of Age which is described below, the failure to disclose or the misrepresentation, except in the case of fraud, will not cause this Policy including any riders to become voidable.
- Any additional insurance coverages effective after the Effective Date or Reinstatement of this Policy will be considered to be incontestable only after the additional insurance coverage or the reinstated Policy has been in force from its effective date for two (2) years, except in the case of fraud.
- Non-Participation:** This Policy and any Riders that may be attached to it are Non-Participating, and therefore will not be eligible for dividends, nor participate in any divisible surplus of the Company.
- Misstatement of Age:** If the date of birth of the Person Insured has been misstated and the EquiLiving Benefit or Early Detection Benefit is payable, it will be the amount of EquiLiving Benefit (Sum Insured) or Early Detection Benefit that the premium would have purchased had the premiums been calculated based on the correct age.
- Notice/
Correspondence:** Any notice or correspondence that is required to be provided to you by the Company will be in writing and sent by regular mail, facsimile, or electronic mail. The notice and/or correspondence will be deemed to be received by you on the seventh (7th) business day following the mailing or transmission.
- Any notice or correspondence from you will be in writing and sent by regular mail, facsimile, electronic mail (provided a signature is not required) or personal delivery and will be deemed to be received by us on the date we receive it at our Head Office in Waterloo, Ontario.
- Proof of Age:** Equitable Life requires satisfactory proof of the date of birth of the Person Insured before making any payment payable under this Policy.

GENERAL PROVISIONS – continued

Right of Rescission: You will have ten (10) calendar days from the date you receive this Policy, to cancel it provided you have given us written notice of your request to cancel within the 10 days. If for any reason during that time you want to cancel the contract, any premiums received will be refunded as of the date Equitable Life receives your notice requesting cancellation. This contract will then be considered void from inception.

**Smoker
Classification:**

Your Policy has two Smoking Classifications:

Non smoker: the Person Insured has not used any tobacco, nicotine, or marijuana products in the twelve (12) months preceding the application for this Policy. Up to one cigar or cigarillo is permitted per month, subject to a negative cotinine test.

Smoker: the Person Insured has used tobacco, nicotine or marijuana products in the twelve (12) months preceding the application for this Policy.

At any time you may request that the Smoker Classification of the Person Insured be changed to Non smoker classification by providing a written declaration to Equitable Life that provides satisfactory evidence to qualify the Person Insured as a Non smoker. Equitable Life reserves the right to require evidence of good health before approving a change in Smoking Classification.

**Compliance with
Provincial

If any terms, conditions or provisions of this Policy conflict with the legislation of the province where the Person Insured resided on the date of application, the term, condition or provision shall be amended to meet the minimum requirement of such legislation.

Limitation Period:

Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act or other applicable legislation.

STATUTORY CONDITIONS

The Contract: The application, this Policy, any Riders and any document attached to this Policy, when issued and any amendment to the contract agreed upon in writing after the Policy is issued, constitute the entire contract, and no agent has authority to change the contract or waive any of its provisions.

Waiver: Equitable Life will be deemed not to have waived any condition of this contract, either in whole or in part, unless the waiver is clearly expressed in writing signed by us. (If the insurance legislation that governs this policy does not include this condition, this condition does not apply.)

Material Facts: No statement, made by the Owner or the Person Insured at the time of application for this contract, shall be used in defense of a claim under or to avoid this contract unless it is contained in the application or any other written statements or answers furnished as evidence of insurability.

Notice and Proof Of Claim:

The Owner or the Person Insured, or a Beneficiary entitled to make a claim, or the agent of any of them, shall;

- a) give written notice of claim to Equitable Life
 - (i) by delivery of the notice of claim, or by sending it by registered mail to our Head Office in Waterloo, Ontario, or chief agency of Equitable Life in the Province; or
 - (ii) by delivery of the notice of claim to an authorized agent of Equitable Life in the Province; not later than thirty (30) days from the date a claim arises under the contract for a Covered Condition.
- b) within ninety (90) days from the date a claim arises under the contract for a Covered Condition, furnish to Equitable Life such proof as is reasonably possible in the circumstances of the happening of the Covered Condition, the right of the claimant to receive payment, the claimant's age, and the age of the Beneficiary if relevant; and
- c) if required by Equitable Life, furnish us with a satisfactory certificate as to the cause or the nature of the Covered Condition for which claim may be made under the contract.

Failure to Give Notice or Proof: Failure to give notice of claim or furnish proof of claim within the time prescribed/required by this statutory condition does not invalidate the claim if the notice or proof is given or furnished as soon as reasonably possible, and in no event later than one (1) year from the date the claim arises under the Contract, if it is shown that it was not reasonably possible to give notice or furnish proof within the time prescribed/required by this condition.

Insurer to Furnish Forms for Proof of Claim:

Equitable Life will furnish forms for proof of claim within fifteen (15) days after receiving notice of claim, but where the claimant has not received the forms within that time, the claimant may submit his or her proof of claim in the form of a written statement of the cause or nature of the Covered Condition giving rise to the claim.

Rights of Examination:

As a condition precedent to recovery of insurance money under this Contract the claimant will furnish Equitable Life with an opportunity to examine the person of the Person Insured when and so often as we reasonably require while the claim under this Policy is pending.

When Money Payable:

All money payable under this contract will be paid by us within sixty (60) days after we have received proof of claim.
