Backcountry snow sports questionnaire

Equitable Life® has introduced a new underwriting form to gather details about your clients' backcountry winter sports activities. If your client participates in backcountry skiing, snowboarding, snowmobiling or similar potentially dangerous winter sports, they will now be required to submit form [1752 Backcountry snow sports questionnaire](#) with their paper life insurance application (form #350). These same questions will be built-in to the next release of *EZcomplete*® on September 8, 2018.
