## Ongoing fund expenses

The management expense ratio (MER) includes the management fee and operating expenses of the fund. The MER includes the insurance cost for the guarantee. You don't pay these expenses directly. They affect you because they reduce the return you get on your investment. For details about ongoing fund expenses see section 3 of your Information Folder.

## Trailing commission

Equitable Life pays your advisor a trailing commission of up to 1.0% for as long as you own the fund. It is for the services and advice your advisor provides to you. The trailing commission is paid out of the management fee. You don't pay these expenses directly.

Guarantee option	Management fee	Insurance fee		MER (Annual rate as a % of the fund's value)
